## MY WEBSITE

## PROFILE SUMMARY

Software Development student, currently in 4th Year of College with hands-on experience designing and implementing complete software systems across web, desktop and cloud-based environments. Have worked with C#, PHP, and SQL to build multi-role applications involving authentication, database persistence, and enforced business rules. Proven ability to work effectively in Agile teams and contribute to real-world projects.

## KEY PROJECTS

### Desktop Booking Applications

C# • WINFORMS • MYSQL • AZURE • DEVOPS

- Engineered a desktop room and resource system for student and staff use, handling multi-role access and business rule enforcement
- Configured a cloud-hosted MySQL database on Azure with a local fallback for redundancy and reliability
- Designed core UI components and integrated them with backend database logic
- Managed version control and team workflow via Azure DevOps across a 2.5 month, 3-person development cycle

### Volunteer Patrol Scheduling Website

PHP • LARAVEL • MYSQL • HTML/CSS • BOOTSTRAP • JIRA

- Delivered a full-stack patrol scheduling and roster management system in a 9-person Agile team, selected from four competing groups for real-world deployment consideration
- Implemented backend logic for user authentication, volunteer capacity constraints, and API/web route handling
- Automated email notification flows for volunteer confirmations and postponements
- Led remote stand-ups and sprint planning sessions in Jira, taking on Scrum Master responsibilities across multiple delivery cycles

## EXPERIENCE

### Kamil Limerick Painters

Painting Assistant 2025

- Assisted in the preparation and execution of interior and exterior wall painting projects, ensuring high quality finishes, attention to detail and on-schedule delivery
- Supported the team with material handling, surface preparation, and clean-up, contributing to efficient project workflows and client satisfaction

### Secondary School Ambassador

School Ambassador 2022-2023

- Chosen from a large group of students for leadership roles and special initiatives
- Actively represented the school at various events and trips, showcasing leadership and strong communication skills
- Proposed and developed ideas for school audiences

### Community Clean-up Volunteer

Volunteering 2018

- Participated in organized clean-up efforts in the Garryowen region while improving the local environment
